Mr. Webster,

As discussed by telephone on November 29, 2011, attached please find my inspection notes and

photographs, as well as draft maps we developed showing Agremax land placement sites. As agreed, this comprises our complete response to your information request, and you must submit a new request for any additional Agency records.

Best regards,

Leonard Grossman

Lenny:

Having considered this carefully, I would like to narrow my request for information as follows:

Please supply copies of all records, including but not limited to photographs and inspection reports, concerning locations where EPA has observed Agremax within 0.5 miles of a river, stream, or other watercourse.

Please give me a call to discuss logistics. If the records are not voluminous or are available electronically I would be could pay upto \$100 for copy fees, otherwise I would prefer to inspect the records before paying for any copying.

Thanks a lot.

Richard Webster
